Please join us at

**7:30 p.m. Friday, May 16**

at **52 Main Street, Northborough**

for a program by

## *Luanne Crosby*

featuring **music** from and about the

## **Civil War** era

Local songwriter, singer, and guitarist Luanne Crosby offers a compelling and entertaining story about songs from the Civil War period, the composers who wrote them, and how the soldiers brought them into battle. You may be surprised at how many melodies you will find familiar, even if you don't know the background of the composition -- proof that music is a historical reference that is part of all of us, even if we are not conscious that it's taken its place within our hearts.

*An optional pot luck supper will precede the program at 6:30 p.m.*

*The event is free and open to the public.*
