

American Harmony

Step back in time...

...as the chorus "American Harmony," brings our nation's earliest choral music to life, presenting songs that stirred the soul of early America.

The evening's program will include rarely heard fugging tunes as well as some of the most popular sacred songs of the time.

The singers are directed by music historian Nym Cooke, who has been leading choruses, choirs and community sings in New England for almost 30 years. He is the author of a new book coming out this year titled "American Harmony."

Join us!
