Mapping it Out

At the next meeting of the Northborough Historical Society, **Greg Webster**, Lt. Colonel and Commander of the **Northeast Topographical Engineers** will speak about the historical role of the **Topographical Engineer** during the **Civil War**. His talk will focus on the making of maps and surveys — from scouting and reconnaissance and the creation of field sketches, to finished map production and methods of map reproduction.

*What role did mapmakers
play during the
Civil War?*
